President's Message

Wow! 'Sledfest 2010 the Grass Drags' were amazing. Our co-race directors, Scott Klein and Jon Trzesniak, did a fantastic job. All club members that participated in the event and assisted the directors at the registration table, race results board, in the pit area, at the start finish line, pre-race set-up and tear down also did an excellent job.

I would also like to thank the Lions Club for their tremendous contribution and participation in making this event a huge success.

Thanks to all the vendors selling vintage parts, Edgewater Marine (Ski-Doo), Evenson's Marine (Arctic Cat) for their displays and Jon Trez for his vintage race sled display.

All the race participants in all classes had some great competitive runs and totally enjoyed themselves. Congratulations to all trophy winners in the 'Grass Drags' race competition and 'Vintage Show & Shine'. I'm sure everyone had a great time and I hope to see you at 'Sledfest 2011'.

Plans are already being

made for next year's event to make it even bigger and better. That's what makes this club exciting and makes me want to be a part of it. I hope you all feel the same way. It has a lot to offer whether you are interested in racing, trail riding, or just socializing. There is something for every snowmobile enthusiast.

Think Snow! Let's Ride!
