President's Message

Wow! What a hot summer! The warmest ever since they started keeping records. For a while there I thought I was living in Florida. I hope everyone enjoyed the lake this year. The boating was great and the activities all around the lake were excellent. Every weekend had something going on. Thank goodness for the Castle Rock Lake "What's floating" summer newsletter.

Anyway, our summer event, the 'Brat Fry and Bake Sale at Costa Ricky's beach bar, was a big success. Thanks to Sharon Trzesniak for heading up
