(Vice-President)

Dawn Schnolis
(Secretary)

Linda Roon
(Treasurer)

Chad Rhinehart
(County Rep)

Jim Schnolis
(Trail Master)

President's Message

What a great snowmobile season! The trails were closed only once this season for about 3 days. We never even had a January thaw. It's amazing what a little snow will do for you. On the other hand, it was also colder than hell! One of the coldest winters on record.

What bothered me most about the cold was the propane fiasco. Not only the shortage, but the high cost of the stuff. It looks like they're trying to do to propane what they did to normal gasoline.

After my third year as your

club president, I must admit it's getting a little easier every year and I'm still enjoying it. As always, it's a challenging and learning experience. The last official business that we need to complete will happen after our last club expense and event. That's when our books will be audited. (Our by-laws require it every 2 years.)

Our club membership is on the way up from previous years and I'm happy and pleased with that. Hopefully it has to do with all the club has to offer. And I know a little snow sure seems to help.

As for next year, I will, as always, try to create some enthusiasm, interest, and fun in the club while trying to increase and expand our membership.

Again, thanks to the membership, club officers, and Board of Directors for a successful 2013-2014 snowmobile season.

You won't have to read my B.S. until next season. This is the last newsletter of the season.

Think Snow! Let's Ride!

Dennis Kulwicki

Meeting Notes

The last meeting of the season was held on March 9th at Carlson's. Topics discussed were: website, County Rep. report, Trail Master report, and recreation report.

Nominations for the open club positions are as follows:

President: Dennis Kulwicki
Secretary: **Open**
Trail Master: Jim Schnolis
Board of Director: Sharon Trzesniak.

At the Landowners Dinner we will take a few minutes

to officially elect the nominees.

The grooming tractor will need to be returned to Mortenson Bros. Farm Inc. and the tractor's insurance will need to be cancelled.

Once the trail signs are removed, we will be done for the season.

We are planning to do the Beach Brat Fry/Boating event on July 19, 2014 at Costa Rickey's this summer to raise money for the club.

If you are planning to attend the Landowners Dinner, please RSVP online on the website so we can get a headcount for table setup and food needed. It is very simple, go to: **'EVENTS'**, key in your name and the number attending and hit **'Submit'**.

The trails in Adam's County officially close for the season on April 1, 2014.

-Dennis Kulwicki

As the season is soon coming to a close, I would like to give a special thanks to our Trail Boss, Jim Schnolis and his crew, Rick Carlson, Chad Rhinehart, and Jeff Rhinehart for their part in grooming our trails and making them perfect for riding. They did a lot of grooming this year and the trails were excellent!

If you think that your sled has torque and still pulls over 80 mph, get a load of what they get to drive, only at a slower mph. And they ride in a heated cab with a stereo system. A 2013 J.I. Case IH 235 Magnum Tractor. It looks like more fun than actually sledding!
