

## Just a few notes from the office.....

- Please note that the AWSC will no longer continue to list the “significant other” on the roster when the couple is not married. The “significant other is not a dues paying member of the AWSC and therefore is not eligible for the upcoming discounted WI Trail Pass. To be eligible for the discounted trail pass and the insurance benefit, they must become a dues paying member of the AWSC.
- There is **NO** AWSC New Member Reward Program in place for 2014-2015.
- We are updating our club cover pages to remove the Legislative and to add the Club Treasurer. Please let us know the next time you submit a roster, who the Club Treasurer is.
- If you are listing a “business” on your club roster (not AWSC Commercial Sponsors), then, we will need the name of the business owner to be eligible for the upcoming discounted trail pass. Example: *Meffert’s One Stop* – The first and last name of the owner should also be listed as the Primary Club Member, as the business will not be getting trail pass, the owner will.
