President's Message

Here we are in the month of January. Still short on proxies that club members have failed to respond to and mail in. I don't believe that we will ever get two-thirds of the membership to respond. If we did give it a try for a second go around, we would probably receive less back than the first mailing.

The club by-laws need to be changed and we can't wait forever. So, we could approve them by a vote at a club meeting, I could get out my phone and pen and do a 'Presidential Executive Order', or we could consider a 'no response' as a vote turned

over and given to club management. We are going to do the later, a 'no response' vote will be turned over to club management for a vote by them.

The Castle Rock Pink Ribbon Ride was a huge success. And as in the past few years, we still had no snow! I want to give a special thank you to the committee for all of their dedication and hard work to pull this thing off with no snow. And thank you to all that participated and supported this great cause by attending.

Meeting Notes & News

The Rustic Ridge Riders met on January 15, 2017 at Spot in the Woods. Minutes from December were read.

As President Den Den mentioned, By-laws are STILL an issue. If you want to voice your opinion by vote, send you proxies in before the next club meeting. Just like in politics, if one chooses not to vote, one has no standing to complain. Once resolved, in the February meeting, the By-laws will be in place immediately.

We're not done. Get ready. The By-laws will be updated if we expand our club to include ATVs and UTVs. Yes, By-laws will need to be updated to reflect minor changes.

I wish I had better news about our club ride, But the lack of snow now doesn't mean we can't call our club friends and do a ride once the white stuff falls again.

I hope to see you all at the Fire and Ice event. Don't forget to buy your raffle tickets. The Rustic Ridge

The scheduled club ride for this year has been cancelled due to lack of snow. Doesn't that sound familiar?

Let's hope for snow for our Fire & Ice event on February 11th. The Fire & Ice raffle drawing will be done that evening at 7:00 pm.

I also plan on doing a 'Ride with the PREZ' (A FLASH RIDE). No date, no time, no destination. An E-mail is sent out, you show up, we meet, we ride.

-Dennis Kulwicki

Think Snow! Let's Ride!

Riders are the beneficiaries of the profits this year. I can't say that a raffle is as fun as our drag racing fund raiser, but it sure is easier.

(BTW, "Drag Racing is not a competition amongst men in women's apparel attempting to be the first to cross an arbitrary line 500 yards across the ice while riding snowmobiles.)

!!! Send in your proxies !!!

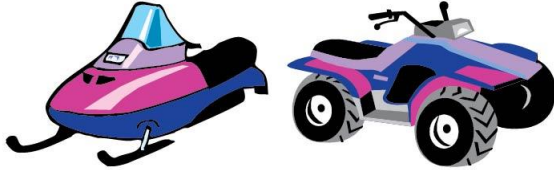

Think Snow!!!
