Sharon Trzesniak

Officers

Dennis Kulwicki
(President)

Rick Carlson
(Vice-President)

(Secretary)

Diane Henkel
(Treasurer)

Jim Schnolis
(Trail Master)

President's Message

As we are now a year-round club. With the addition of ATV/UTVs, we can no longer go on a summer hiatus. We will be busy administering the club throughout the year. I hope the membership is as enthusiastic as I am.

Now we will have an activity that we can enjoy throughout the year. In fact, I'm really looking forward to it. You won't have to wait for cold weather and pray for snow anymore just to ride your PowereSports toy.

Year after year, it's a crap shoot as to whether or not I get to ride my sled around

here. But I shouldn't be complaining, I have other toys to use along with the sport of boating.

I don't know too much about ATVing. I currently don't even own one and I couldn't even tell you whether or not you need a helmet to ride one. I will definitely be getting up to speed on that matter.

What I do know is that we can't ride them here in the town of Quincy! What the hell is up with that? You can ride them in the U.S.A., the state of Wisconsin, Adams County, but not Quincy!

Meeting Notes & News

The Rustic Ridge Riders met on March 12, 2017 at Splash Bar & Grill.

Trail Master reported that the tractor for grooming has been returned and that the next activity is going to be the removal of signs from the trail.

A BIG THANKS to Mortenson Bros. Farms, Inc. for the use of the tractor again this year.

Website is up-to-date and all changes to add ATV/UTVs have been incorporated.

A survey will be going out, via the website, to gather information on how many club members have an ATV or UTV, makes, models, etc.

Nominations for club officers and a Board of Director is as follows:
Vice President - Rick Carlson
Secretary - Sue Cole
Treasurer - Diane Henkel
Board of Director - Dawn Schnolis

The election for these positions will be held at the Landowner's Dinner on April 8, 2017.

Anyway, we now have a club located in Quincy with ATV/UTVs. As we all know Quincy is a great place for recreation & tourism. The entire town has great real estate along Castle Rock Lake and the Wisconsin River.

Make sure you mark your calendar and sign up online for the Landowner's Dinner on April 8th. It's always a great social activity and you'll get to meet and thank our landowners for allowing us to ride on their land.

-Dennis Kulwicki

Let's Ride! Go PowerSports!

Remember..... The annual Landowner's Dinner is going to be on April 8, 2017 for club members and landowners only. Please RSVP online via the website or call Rick Carlson. It's important to have a headcount for food and seating.

-Sue Cole

As the snowmobile season is coming to a close, I would like to give a special thanks to our Trail Boss, Jim Schnolis, and his crew for getting the easements taken care of from the landowners, along with their signatures, and for ensuring that the necessary paperwork was up-to-date and complete. Also, an additional thanks for the brushing and signing of our trails for this snowmobile season, even though we didn't have much of a riding season here in Adam's County. Where the \$@%% was all the cold and snow this year?

Mortenson Bros. Farms, Inc. thanks for the use of this fantastic equipment!
