President's Message

You guessed it! Summer is over and once again it went too quickly. It's on to the fall season and putting our club emphasis back to snowmobiling. And we are again all energized and enthused at the thought of **snow**, getting our sleds fired up and ready to roll. We could definitely use a lot of **snow** this year to make up for no **snow** the last few years. I did go to North Pole Alaska and made amends with Santa Claus and hopefully got back on his nice list. It's been hell not getting any Christmas presents from Santa the last three years along with no **snow**.

I plan on attending the AWSC Workshop at Chula Vista in the Dells to represent our club and sit in on some seminars at the event. They provide great insight and information on snowmobiling in our state so it's a fun and learning experience.

As you all know we have been in front of the Quincy Town Board with our ordinance 6 times. And pretty much going nowhere. They are all up for election in April 2019. So, you know where I'm going. It's time to 'drain the

swamp'. It's time for a change in Quincy.

For up-to-date info on where we are and what still needs to be done, check our ATV/UTV task list on our website. It also lists everything that has taken place since we started this ATV/UTV thing.

The ATV/UTV support signs throughout the town have been well accepted and we have received many 'thumbs up' on them.

As always, get your club membership renewals in early. We would like to have them all in by the end of October.

Meeting Notes & News

Happy autumn.

The Rustic Ridge Riders met on Sept. 2, 2018 at Costa Ricky's Beach Bar. The minutes were read from the July 8th meeting and were accepted.

The first Adams County Snowmobile Assoc. meeting was held on August 2 and Jim Schnolis represented our club

Adams County Recreation Officer and the WDNR Warden for Adams County were present at the Quincy Town Board meeting held

on August 30. They have both offered to help us as resources. Any ATV violations we want to report will be accepted by the DNR in the form of videos or pictures, all in an effort to help curb problems in Quincy. Quincy board has requested that we no longer come to board meetings, but we will continue to get on their agendas for 'point of record'. The Adams County Sheriff has also given the Quincy board a proposal for policing.

Problems have been encountered with sending emails from our website via AOL. Dennis is working to resolve it.

Our Beach Brat Fry and raffle in July were both a success. A hayride is coming up in November with a 2:00 p.m. start time. However, the starting location still needs to be determined.

Our RRR incorporate renewal application card has been received.
